spontaneously let the bow jump off the string because of the motion of his right wrist Of course, when you begin an arpeggiated passage at a fast temp, the bow will bounce right away, and the arpeggiando effect will occur naturally It is most often used in solo string and chamber music literature, but is also effective as an orchestral device

APPENDIX MUSICAL INSTRUMENTS & ENSEMBLES

string quartet is a four-player chamber ensemble BUT it is also a genre In other words, Beethoven's String Quartet in C minor is performed by an ensemble of four string players, but this work is also an example of the string quartet genre The term symphony can also refer to BOTH a genre and the ensemble that plays it It might be helpful to

THE ELEMENTS OF MUSIC

3 MELODY Melody is the element that focuses on the HORIZONTAL presentation of Pitch • PITCH: the highness or lowness of a musical sound • MELODY: a linear series of pitches Almost all famous rock songs have a memorable melody (the tune you sing in the car or the shower) Melodies can be derived from various SCALES (families of pitches) such as the traditional major and minor scales of
